SELFDRIDGE ANGB 100TH
ANNIVERSARY

HON. SANDER M. LEVIN

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 26, 2017

Mr. LEVIN. Mr. Speaker, I rise today to recognize the 100th Anniversary of Selfridge Air National Guard Base. Selfridge ANGB is home to the Air National Guard 127th Wing, which operates KC-135 Stratotankers and the A-10 Thunderbolt II. The base is also currently home to more than 20 tenant units from all branches of the military, the Coast Guard, and Border Patrol.

Opened in 1917, the base, then called Selfridge Field, was one of only nine military air fields in the United States as we entered World War I. The field remained a training ground through World War II. In 1943, the 332d Fighter Group of the historic Tuskegee Airmen was garrisoned at the base.

After World War II ended, Selfridge expanded its borders to its current size and was renamed Selfridge Air Force Base. The base continued to train pilots and stand ready through the Cold War. For twenty years, Selfridge AFB provided ground-controlled interception coverage for interceptor aircraft and surface-to-air missiles. When the Air Force's mission at Selfridge ended in 1970, the base was transferred to the Michigan Air National Guard, becoming Selfridge Air National Guard Base.

Today, Selfridge ANGB continues to be an important member of the southeast Michigan region, and a vital resource in the defense of our nation. The base works to bring aviation themed math and science education to our community through the STARBASE program. Selfridge ANGB also continues to excel at its mission, and was most recently awarded both the Carl A. Spaatz Award and the Air Force Meritorious Unit Award.

I encourage my colleagues to join me in celebrating and honoring the 100th Anniversary of Selfridge Air National Guard Base and the men and women of the 127th Wing who continue to serve our country admirably. As a beacon of community involvement and military excellence, we look forward to Selfridge ANGB's continued service for many years to come.

HONORING THE HONORABLE
SAMUEL M. MORRIS

HON. THOMAS MacARTHUR

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 26, 2017

Mr. MACARTHUR. Mr. Speaker, I rise today to honor the memory and life of the Honorable

Samuel M. Morris of the Third Congressional District of New Jersey, and to express my sincerest condolences to his family and loved ones he has left behind, as well as to recognize his career of public service.

Samuel was known for his unwavering focus on his goals. His talent for advocacy started in high school where he was an active member of the Debating Club at Point Pleasant Beach High School. He was a talented athlete, and was a member of the 1953 "miracle gulls" football team, which won the Group I State Championship.

In 1954, Samuel responded to our nation's call by joining and serving in the armed forces with the Engineers of the 11th Airborne. With a passion for learning, specifically the law, he continued his academic studies while serving his country, taking courses in German and International Law in Munich, Germany. Among his return home to the United States, Samuel completed his Bachelor's Degree in History and Political Science at Monmouth College and eventually received his Juris Doctor Degree from the Seton Hall University School of Law. Samuel went on to lead a successful legal career, first practicing for Mead, Gleason, Hansen, and Pantagesa Firm in Newark, New Jersey, specializing in Workers' Compensation Law. Samuel decided to open his own practice in his hometown of Brick, New Jersey. After years of establishing a successful private practice, Samuel was appointed to become the Brick Township Municipal Judge. He was so successful in that position, that he was called upon by other townships to help them establish their municipal court systems. He was known and well respected in every township that he presided over in the years to come.

Beyond his illustrious legal career, Samuel was a dedicated family man, who married his wife Lynn in 1956. Samuel enjoyed spending time with Lynn, their five children, and many grandchildren, and great-grandchildren.

Mr. Speaker, the people of New Jersey's Third Congressional District are tremendously honored to have had the Honorable Samuel M. Morris as a selfless and dedicated member of their community who devoted his career to bettering the world around him. It is with a heavy heart that I commemorate his veteran service, career, and life, and recognize the lasting legacy of public service that he has left behind, before the United States House of Representatives.

IN RECOGNITION OF LARRY
GREENE

HON. DORIS O. MATSUI

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 26, 2017

Ms. MATSUI. Mr. Speaker, today I stand to recognize Mr. Larry Greene's retirement from the position of Executive Director of the Sacramento Metropolitan Air Quality Management District. I ask all my colleagues to join me in honoring Mr. Greene and his outstanding dedication to cleaner air in my hometown of Sacramento.

Mr. Greene served our region for twenty-two years, helping to produce cleaner air, prolong lifespans, and protect the environment. He was a two-term president of the California Air Pollution Control Officers Association (CAPCOA), and holds a permanent seat on its Board of Directors. Larry's public service also included a term as President of the National Association of Clean Air Agencies. Before he delved into clean air policy, Mr. Greene served our country in the United States Army for 25 years, specializing in logistics management. Clearly, Larry Greene is the epitome of a public servant.

Since 1990, the Sacramento region has benefited from a 66 percent drop in nitrogen oxides, largely thanks to Mr. Greene's efforts. He has been the main proponent for many clean air programs, including the "Spare the Air" and "Check Before You Burn" campaigns. His success can be attributed to his methods of working as a partner for elected officials and community organizations that seek out solid, incentive-based solutions for businesses. Communities across our country that wish to improve their air quality should look no further than Larry for the model of what a clean air advocate can do.

Mr. Speaker, I stand to honor Mr. Larry Greene today and to wish him the best of luck
